PROFILE

Meet Frances – Our New Specialist Speech and Language Therapist
Joining Hopscotch on 6th June

We're thrilled to welcome Frances to the Hopscotch team! Frances holds a Bachelor of Science in Speech Pathology from Curtin University, Australia, and brings over five years of experience supporting children and young people across a wide range of settings—including private and state-funded schools, autism resource provisions, and private practices in both Australia and London. Frances is passionate about helping children with disabilities, speech and language disorders, and social communication challenges. Her approach is grounded in empathy and empowerment, working closely with each child to help them build confidence and achieve their full potential.

Frances has received specialist training in:

- Hanen: It Takes Two to Talk
- Gestalt Language Processing (Natural Language Acquisition)
- Acceptance and Commitment Therapy for Stuttering
- The Sounds-Write Programme

With her warm and collaborative style, Frances is dedicated to making therapy a positive, meaningful experience for both children and their families. We're excited for you to meet her!
