

**Title:** Paediatric Occupational Therapist

**Job Type:** Permanent

**Work Days:** Monday to Friday (option for Tuesday to Saturday available)

**Working Hours:** Monday to Friday, 09:30 AM–6:00 PM / Saturday, 09:00 AM–4:00 PM

**Annual Leave:** 27 days (including bank holidays)

Are you a passionate Paediatric Occupational Therapist looking to further develop your skills and make a meaningful impact? If you have experience in paediatric occupational therapy and thrive within a dynamic, multidisciplinary team, this Band 6 role could be the perfect opportunity for you!

**About Us:**

Our Occupational Therapy service is committed to delivering high-quality assessments and interventions to children in the heart of London. Sensory integration is at the core of our practice, and we specialize in helping children and young people aged 0 to 18 with physical, developmental, social communication, and other specific difficulties engage in meaningful occupations.

**Training and Development:**

We are dedicated to fostering professional growth and offer:

- A six-week onboarding program to help new team members integrate smoothly into our practices.
- Opportunities to enrol in a two-year sensory integration training program to enhance your expertise in this vital area.
- Sensory integration training delivered directly by our Clinic Director.

**Key Responsibilities:**

- Manage a caseload of at least 20 regular clients independently, achieving therapy goals and targets set during assessments.
- Provide home and school recommendations and implement interventions to support children across various environments.
- Effectively communicate therapy plans and progress to parents and other professionals.
- Deliver online therapy sessions for clients who cannot attend in person.
- Collaborate closely with a multidisciplinary team, including Speech and Language Therapists, Psychologists, Educators, and Administrative Staff.
- Participate in multidisciplinary meetings to contribute to the development of therapeutic services.

**Necessary Attributes:**

- Education & Registration: A Bachelor's degree in Occupational Therapy and HCPC registration.

- Sensory Integration: A certificate in sensory integration or sensory integration experience.
- Experience: A minimum of 3 years' experience in occupational therapy, preferably within paediatrics.
- Work Eligibility: Eligibility to work in the UK (sponsorship may be available if required).

**Benefits:**

We offer a comprehensive benefits package, including:

- Employee Assistance Program.
- Access to a 24/7 General Practitioner.
- Legal Assistance.
- Fitness discounts, including access to over 3,600 health clubs.
- Other lifestyle discounts.
- Sensory Integration training provided by the Clinic Director.

**Why Join Us?**

This is a fantastic opportunity to grow as a paediatric occupational therapist while working in a vibrant, collaborative environment. You'll play a key role in delivering high-quality care, engaging with service development, and shaping the lives of children and their families.

If you are motivated, skilled, and ready to advance your career while making a meaningful impact, we'd love to hear from you!
